Teaming up again with multiple Grammy award winning music arranger, Danny Flam, to produce this collection of 'blues-infused' songs, 'Moon Over Indigo' features many talented musicians from both sides of the Atlantic.

'Walking with the Devil', the first track in this collection, features the amazing slide guitar work of Graham Hine (Brett Marvin & The Thunderbolts) Voodoo chants and backing vocals of Kareña K

The album also boasts performances by Kenny Rampton (Ray Charles, Mingus Big Band), Keith Mack, Tom Welsch, Eran Asias and Benjy King (Patty Smyth's band 'Scandal') Danny Flam's New York Brass inc. Ron Bertolet (Bobby Caldwell), Marco Panascia (Herbie Hancock, Quincy Jones) Cenovia Cummins String Quartet (Rod Stewart, Barbara Streisand)
